

## News Release

11 November 2009

### News headline portal OneNewsPage.de launches today

One News Page Ltd, owners of global news portal [www.onenewspage.com](http://www.onenewspage.com), is launching a sister site today in Germany.

The new site, [www.onenewspage.de](http://www.onenewspage.de), follows a successful six-month beta trial. The German site provides constantly updating news from a wide variety of trusted German language news sources, 24-hours a day, 365 days a year. And like its dot com sister site, it is entirely free of charge to users.

Since its beta launch in June [www.onenewspage.de](http://www.onenewspage.de) has carried over 800,000 news items. It currently ranks amongst the top 25,000 websites in Germany according to Alexa, a leading Internet information company. In Austria, OneNewsPage.de is currently ranking at 21,830 (source: Alexa.com).

Other attractive features of OneNewsPage.de are its fully searchable news archive and the ability to set up live news alerts. Furthermore, Twitter members can tweet their news commentary directly from the site and read others' tweets on the same topic.

Each day, around 5,000 new headlines are added to the [www.onenewspage.de](http://www.onenewspage.de) database, sourced from over 100 respected news sources in Germany, Austria and Switzerland, including Deutsche Welle, Die Welt, Sueddeutsche Zeitung, ORF and 20 Minuten.

News topics covered by the site include current affairs, business and finance, politics, sports, lifestyle, celebrity, science and technology.

[www.onenewspage.de](http://www.onenewspage.de)'s servers are hosted in Karlsruhe, Baden-Wuerttemberg and run on sustainable-generated electricity.

Sister site [www.onenewspage.com](http://www.onenewspage.com), which was launched in May 2009, is ranked by leading website performance tracker Quantcast as the 2,663<sup>rd</sup> largest website in the US, and is one of the world's top 100,000 websites.

**Dr Marc Pinter-Krainer, founder of One News Page, says**

“Our German site has come through its beta trials successfully and is performing strongly. We’re therefore delighted to be officially launching [www.onenewspage.de](http://www.onenewspage.de) today and look forward to welcoming more new users.”
