### **ONE NEWS PAGE LAUNCHES 'COUNTDOWN TO BREXIT' FEATURE**

UK news has been dominated by the country's forthcoming divorce from the European Union for some time now, and with the departure date getting closer, One News Page today announces a new 'Countdown to Brexit' section added to its breaking news portal.

Britain's exit from the EU, commonly referred to as Brexit, is set to take place on 29 March 2019. However, with discussions over whether or not the UK can reach a deal with the EU still ongoing, breaking news is always on the horizon. As such, the need for trustworthy news from a variety of verified sources has never been so important.

"Brexit is now just around the corner," states Dr Marc Pinter-Krainer, CEO of One News Page. "For our readers in the UK and elsewhere, it's incredibly important to keep track of updates from verified news outlets on what's set to take place. Our new 'Countdown to Brexit' feature enables visitors to stay up to date with all latest Brexit developments on one single page. It is refreshed and updated constantly, which means we aim to always have our fingers on the pulse."

The new Brexit news section is part of One News Page's ongoing focus on categorising important news stories for ease of reference and use.

Readers can access the 'Countdown to Brexit' section free of charge at <https://www.onenewspage.com/current/gwm0ql3021/Brexit.htm>.

Brexit is looming, and while there are plenty of news outlets publishing a plethora of stories about the Britain leaving the EU each day, the need for a portal to offer verifiable updates exclusively from trustworthy news outlets has never been greater. One News Page aims to deliver all of the biggest and legitimate Brexit news updates that readers can trust.

## **About One News Page Ltd**

One News Page Ltd is a British media firm which runs a family of news portal websites across the globe. The sites, founded in 2008, feature original news coverage and syndicated news content including news videos from major trusted news sources.

The One News Page portal is arguably the fastest-access news portal in the world. It is free to browse and provides its users with a powerful search engine of more than 100 million news resources from scores of reputable and authoritative sources and journalists, allowing users to discover and locate relevant news coverage easily.

Offering written digests, original content and video news for readers to access and consume at their leisure, One News Page is continuing to tap into the news aggregation market by making it easier and quicker to access with each update.

Optional free member registration provides access to news archives and live news alerts by email.

Access to all One News Page sites is free of charge.
